See and Hear Your Baby from Anywhere.

The Motorola PEEKABOO is a Wi-Fi® video baby camera that enables you to keep an eye on your baby from anywhere in the world on your compatible smartphone, tablet, or computer. The Hubble app allows you to receive sound and motion notifications to your compatible viewing device so you can always stay connected to what's going on. A wide range of analytics, including Video Recording and Growth & Development Tracker, give you peace of mind that your little one is healthy and happy. Remote scan, digital tilt and zoom and the crystal clear two-way audio allows you to communicate while on the go. With Motorola PEEKABOO, you're free to watch them dream from anywhere.
