IMPORTANT SAFETY NOTICE

- 1) This appliance must not be used by persons (including children) with physical or mental impairments or by inexperienced persons, unless properly trained or schooled in the safe use of the appliance, or unless they have been properly supervised by a qualified person who will be responsible for their safety.
- 2) Children must be supervised to ensure that they do not play with the product.
- 3) Never use accessories that have not been delivered with this product or are not intended for it.
- 4) Under no circumstances should you try to repair or amend the product on your own - danger of electric shock! Entrust all repairs and adjustments to a specialised company/service. Failure to do so will void the warranty policy.
- 5) Never use the product if you have wet hands or feet.
- 6) Do not use or store the product near flammable or volatile substances.
- 7) Keep the product away from extreme temperatures, direct sunlight and excessive humidity. Do not use in a dusty environment.
- 8) Do not place the product near heaters, open fires or other appliances or equipment that are sources of heat.
- 9) This product is designed for household use. Do not use it in industrial surroundings or outdoors!
- 10) Never use this product on animals.
- 11) Do not use the product for purposes other than those intended.
- 12) Do not spray the product with water or any other liquid. Do not pour water or any other liquids into the product. Do not submerge the product in water or in any other liquid.
- 13) Never use the product near a bathtub, wash basin or any other container filled with water.
- 14) Use extra care if the product is used near children. Always keep the product away from the reach of children.
- 15) Do not use this product on open wounds, cuts, sunburns or blisters.
- 16) Keep this product at a safe distance from hair and eyes.
- 17) If you will not be using the product for an extended period of time, remove the batteries. Otherwise they may leak inside the product and cause irreparable damage.
- 18) Do not use rechargeable batteries in this product.
- 19) For plugging the product into the mains socket, use only the type of adaptor included with the product. Never use a different type of adapter with the product
- 20) The manufacturer takes no responsibility for damages caused by incorrect use of the product and its accessories

Hair trimmer 2 in 1

SNC 101BL

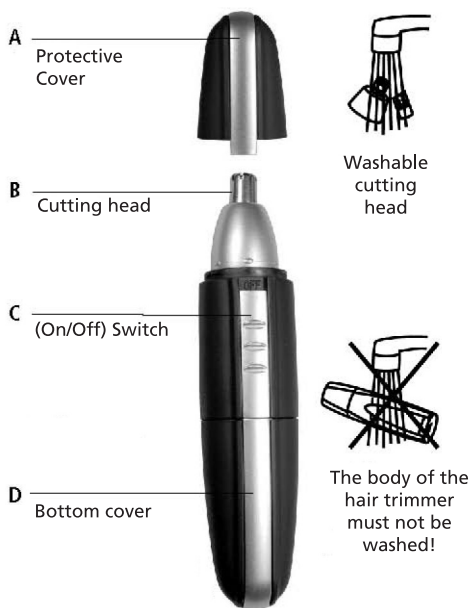

INTRODUCTION

This hair trimmer is a useful and practical helper, especially when travelling.

You can choose from two attachments:

- **The nose and ear hair trimmer removes the small hairs in the nose and ears.**
- Using the beard trimmer you can trim your beard / moustache to the required length or to style it.

INSTRUCTIONS FOR USE

Preparation for use:

Before first use, insert the supplied alkaline battery into the hair clipper:

- 1) Remove the bottom half of the cover (D) by turning anticlockwise.
- 2) Insert the battery and ensure the polarity is correct as shown inside.
- 3) Attach the battery cover by turning in the clockwise direction.

Use of hair clipper in nose and ears:

- 1) Remove the protective cover (A) on the hair trimmer and move the On/Off switch (C) up.
- 2) The integrated light will automatically turn on and will illuminate the trimming area.
- 3) Now you can begin cutting the hairs in the nose and ears.

Caution:

Keep the device at a safe distance from your eyes and do not use it to cut hair on the vertex of the head.

Using the beard trimmer:

- 1) Remove the nose and ear hair trimmer by turning anticlockwise.
- 2) The beard trimmer attachment is also attached by turning.
- 3) Now move the On/Off switch (C) up.
- 4) Again the integrated light will turn on automatically.

CHANGING ACCESSORIES

Changing the head is simply done by turning it.

beard trimmer (must
not be washed!)

Nose and ear hair
trimmer (may be
washed)

MAINTENANCE AND CLEANING

To clean the outer parts of the vacuum cleaner, use a soft cloth dipped in lukewarm water. Do not use aggressive cleaning agents, paint thinners or solvents. Using these solutions could damage the surface of the vacuum cleaner.

Cleaning of the cutting head for facial hairs:

- 1) Turn off the device.
- 2) Remove the cutting head (B) from the body of the hair trimmer by turning it and thoroughly wash under running water.
- 3) After it is completely dry place the cutting head back on to the body of the hair clipper.
- 4) Attach the protective cover (A).

**Caution:**

Clean only the cutting head. The body of the device must not be washed!

Cleaning the beard trimming head:

- 1) Turn off the device.
- 2) Remove the cutting head (B) from the body of the hair trimmer by turning it and thoroughly clean it using the supplied cleaning brush.
- 3) After cleaning place the head back on the body of the hair trimmer.
- 4) Attach the protective cover (A).

**Caution:**

The beard trimming head must not be washed!

Lubricating the beard trimmer unit:

Place one or two drops of oil in between the cutting blades and spread it evenly. For this purpose it is best to use oil for razor blades or oil not containing acid (e.g. sewing machine oil). Wipe off excess oil using a cloth.

INSTRUCTIONS AND INFORMATION REGARDING THE DISPOSAL OF USED PACKAGING MATERIALS

Dispose of packaging material at a public waste disposal site.

DISPOSAL OF USED ELECTRICAL AND ELECTRONIC APPLIANCES

The meaning of the symbol on the product, its accessory or packaging indicates that this product shall not be treated as household waste. Please, dispose of this product at your applicable collection point for the recycling of electrical & electronic equipment waste. Alternatively in some states of the European Union or other European states you may return your products to your local retailer when buying an equivalent new product. The correct disposal of this product will help save valuable natural resources and help in preventing the potential negative impact on the environment and human health, which could be caused as a result of improper liquidation of waste. Please ask your local authorities or the nearest waste collection centre for further details. The improper disposal of this type of waste may fall subject to national regulations for fines.

For business entities in the European Union

If you wish to dispose of an electrical or electronic device, request the necessary information from your seller or supplier.

Disposal in other countries outside the European Union

If you wish to dispose of this product, request the necessary information about the correct disposal method from local government departments or from your seller.

This product meets all the basic EU regulation requirements that relate to it.

Changes to the text, design and technical specifications may occur without prior notice and we reserve the right to make these changes.
