IMPORTANT SAFETY NOTICES

- 1) Carefully unpack the product and take care not to throw away any part of the packaging before you find all the parts of the product.
- 2) This product must not be used by persons (including children) with physical or mental impairments or by inexperienced persons, unless properly trained or schooled in the safe use of the product, or unless they have been properly supervised by a qualified person who will be responsible for their safety.
- 3) Under no circumstances should you repair or alter the product yourself. Entrust all repairs and adjustments to a specialised company/service. Tampering with the appliance during the warranty period may void the warranty.
- 4) Do not expose the product to extreme temperatures and direct sunlight.
- 5) Do not place the product near heaters, open fires or other appliances or equipment that are sources of heat.
- 6) This product is designed for household use. Do not use in industrial surroundings.
- 7) Do not use the product for purposes other than those intended.
- 8) Use extra care if the product is used near children. Always keep the appliance out of reach of children. Children must be supervised to ensure that they do not play with the product.
- 9) During operation do not apply the product to eyes or ears.
- 10) Under no circumstances attempt to insert fingers or foreign objects into the product if it is in operation!
- 11) High pressure current can be dangerous if used incorrectly. It is forbidden to direct the current at other people, one's self, animals, electric devices or the high pressure cleaner itself.
- 12) The manufacturer takes no responsibility for damages caused by the incorrect use of this product and its accessories (injuries, burns, scalding, fire, food spoilage, etc.).

Rotary Patio Brush

SHX 55

INTRODUCTION

This rotary patio brush is designed to be connected to SENCOR SHW 3001 and SHW 4001 high pressure cleaners. It is ideally suited for places where it is necessary to protect the surrounding from sprayed water:

- patios
- pavements
- garages, etc.

DESCRIPTION OF THE ROTATING PATIO BRUSH

CZ-4

ASSEMBLING THE PRODUCT

- 1) Attach the adapter insert on to the rotary brush end so that both protrusions on the rotary brush end enter the appropriate openings in the adapter insert.
- 2) Then gently push the adapter insert and turn it by 90° clockwise so that it locks into place.

Note:

The adapter insert needs to be inserted all the way in before being locked in, otherwise it is not possible to turn and lock in place.

- 3) Screw the supplied pole attachment on to the tread of the adapter insert.

Now attach the pistol of the high pressure cleaner (not included with this product):

- 1) Insert the pole attachment into the pistol so that the lugs fit inside the openings inside the pistol.
- 2) No gently press the working attachment into the pistol and turn it 90°.
- 3) The working attachment will be arrested in the pistol.

PRODUCT OPERATION

The rotary patio brush can be used to clean both with clean water and with a shampoo solution. If the shampoo solution is necessary proceed as follows:

- 1) Open the tank cover and pour in max. 750 ml of a shampoo solution.
- 2) Using the adjustment screw set the desired shampooing intensity - screwing in will reduce the intensity, screwing out will increase the intensity.
- 3) The brush is now ready for use (continue by following the user's manual of the high pressure cleaner).

Caution

Use only cleaning agents intended for use in high pressure cleaners. Never use liquids containing organic solvents, acids, flammable compounds, colourings, oils and compounds whose fumes are flammable, explosive or toxic.

INSTRUCTIONS AND INFORMATION REGARDING THE DISPOSAL OF USED PACKAGING MATERIALS

Dispose of packaging material at a public waste disposal site.

DISPOSAL OF USED ELECTRICAL AND ELECTRONIC APPLIANCES

The meaning of the symbol on the product, its accessory or packaging indicates that this product shall not be treated as household waste. Please, dispose of this product at your applicable collection point for the recycling of electrical & electronic equipment waste. Alternatively in some states of the European Union or other European states you may return your products to your local retailer when buying an equivalent new product. The correct disposal of this product will help save valuable natural resources and help in preventing the potential negative impact on the environment and human health, which could be caused as a result of improper liquidation of waste. Please ask your local authorities or the nearest waste collection centre for further details. The improper disposal of this type of waste may fall subject to national regulations for fines.

For business entities in the European Union

If you wish to dispose of an electrical or electronic device, request the necessary information from your seller or supplier.

Disposal in other countries outside the European Union

If you wish to dispose of this product, request the necessary information about the correct disposal method from local government departments or from your seller.

This product meets all the basic EU regulation requirements that relate to it.

Changes to the text, design and technical specifications may occur without prior notice and we reserve the right to make these changes.
